## I-ACT WORKS TO ENSURE PROFESSIONAL STANDARDS:

The International Association for Colon HydroTherapy (I-ACT) advocates the highest standards of education and professional conduct to assure properly administered colon hydrotherapy. Today, colon hydrotherapists are thoroughly trained professionals, who must pass rigorous testing and adhere to strict guidelines established by I-ACT. These professionals are well schooled in the administering of colon hydrotherapy. Being a member of I-ACT ranks you with the top colon hydrotherapists nationally and internationally. **Plus many States now require I-ACT Certification to practice!** Along with incredible support and networking, membership provides discounts on seminars, annual conventions, regional meetings and access to professional information!

**FREE LIBBE Device Review for all previous LIBBE  
Trained Therapists - Classes in San Antonio, TX. Only!**
